

History -

In history we are focusing on comparing the lives of two significant individuals - Florence Nightingale and Mary Seacole.

Maths -

In Year One we are looking at addition and subtraction followed by units of measure.

In Year Two we are looking at multiplication and division followed by fractions.

Science -

Our science topic for this term is 'Everyday Materials' looking at everyday objects and what they're made of and why!

Fox class
Spring term
learning

English -

We will be exploring the books 'Where Ocean Meets Sky' and 'Naughty Bus'

Geography -

Our geography learning will be comparing two countries, the UK and Kenya. Exploring the similarities and differences.

Art and DT -

In our art and DT week we will explore abstract art and how to create moving vehicles!
