Literacy - Communication & Language	Oak Lessons: The Noisy House (10 lessons) Complete one lesson a day and start at lesson 1.		Oak Lessons: Bats Learn to Dance (10 lessons) Complete one lesson a day and start at lesson 1.		Oak Lessons: Little Red Hen (10 lessons) Complete one lesson a day and start at lesson 1.	
<p>Below are some additional activities that you might like to do with your child if you have time and they would like to. Please post on Dojo if you complete them to share with us.</p>						
Physical	Can you make a penguin using different shapes? Draw shapes and cut them out.	Practice your letter formation – you could paint letters, make them with playdough, trace them in flour or write them in all different colours using felt tips.	Can you learn how to cut out snowflakes? How many different snowflakes can you make?	Make an obstacle course in your garden or living room, find things to go over, under, along, through and around. Can you time yourself, what is your fastest time?	Can you make a name snowman? Use round white circles, one for his head and write each letter of your name (forming letter correctly) on a different circle for his body, give him a hat, scarf and arms.	Can you use a timer and time how many of the following you can do in 30 seconds or 1 minute: Star jumps Catching a ball Throwing a soft toy into a box or bucket Hops What other things could you try?

Term 3 Reception home learning guidance.

Personal & Social	Identify something you find tricky, set yourself a challenge to overcome it – learning how to do your laces laces, making a bed etc.	Promote discussion where you talk about something you have done and at which you persevered. Make mum or dad a certificate to say well done!	Help your child to set a goal and talk through how they can achieve it, make a poster to remind you of your new goal.	Write down something good about each member of your household	Find out what jobs your grownups do, what did they have to do to get there? What did they have to learn to do their job well?	Did you achieve your goal? Have a celebration party!
Understanding the World	Where do Penguins & Polar Bears Live? Would you find them in the same place, use the internet to find out. Draw a picture or make a model to show where they live.	How many different animals can you find that live in the Artic and how many in Antarctica?	Can you draw a life cycle of a Penguin? Maybe you could label your picture.	What is your favourite Polar animal? Find out at least 3 facts about that animal.	Did you know that Polar Bears face extinction? Use the internet to find out why. What things can you do at home to help global warming?	This week is the celebration of Chinese New Year Watch these Cbeebies clips Chinese New Year
Expressive Art & Design	Draw and then paint a penguin, look carefully at a picture to help you	Sponge paint a Polar scene background, draw some Polar animals, cut them out and stick them on your background	Use some building bricks or junk modelling to make a home for a Polar animal.	Can you make a colourful collage of your favourite Polar animal.	Dress up as a Polar animal or Polar Explorer and go on an adventure.	Can you make a moving dragon and do a dragon dance?
