

Live Music!

We hope you enjoyed the music today and feel inspired to join in!

Would you like to play an instrument too? With friends at school or somewhere else after school?

We have lots of opportunities for you to learn to play and have plenty of instruments you can hire if you don't already have one.

Ask your parent/carer to check out our websites for more information or go to the sign up link below for lesson booking and instrument hire, if needed.

We would love to see you again and then one day you can play live on stage too!
