# HEDGEHOGS MADE BREAD!

On the last day of term we made our own bread, just like The Little Red Hen did for Harvest! We had great fun, mixing, proving, baking AND EATING! This term we have had a special visitor into the school and had to find out more about him, we explored the landing site of his ship and found evidence of him being in school. We then asked questions to find out more about him and why he is here!

## YEAR 6 – LIFE SKILLS

This week Year 6 went to Life skills and learned some really valuable life lessons. They had the opportunity to go into lots of different sets that looked very realistic. They got to purchase an item giving them a proof of purchase receipt, they experienced what one should do in a house fire, they learned some road safety rules and were all really well behaved.

We have been very lucky this week to have some events going on in school. Yesterday, we had Angela come in to do a workshop and collective worship about our new school value of Trust. Otter class also attended a fascinating virtual lecture this afternoon led by the author Jeffrey Boakye in which he promoted his new book, Musical Truth.

### PTA CAKE SALE

A huge thank you to Gizelle, Laura and Jody for organising a cake sale on Thursday this week and to everyone who baked and bought! We raised £61.50 for the PTA

Poppies on sale each lunchtime for Remembrance Sunday. Suggested donation 50p per item.
