“Knowledge is a seed that grows when you read”

This week, the children from Otter and Squirrel class created this stunning piece of artwork using cardboard, paper mache, masking tape and paints, alongside local artist Darrell Wakelam. We plan to display it in our library area for all our children and visitors to enjoy and to inspire our reading and learning.

Squirrel Class have also created art inspired by Giuseppe Arcimboldo for the Flower and Craft Show!

Congratulations to our Stars of the Week and Head teacher Award Winners

Bea, Boe, Indy, Casper, Clarabell, Henry, Theo LM, Bonnie and Jack

Fox class have created a beautiful piece of artwork using the theme of seeds and growing to think about their "growth mindset". They have also been learning to be architects while reading their class text *Architect* by Iggy Peck. They have also enjoyed applying their art skills to entries to the Flower and Craft Show competition on Saturday. Well done Fox Class!

Hedgehog Class have enjoyed having the Reception children in full time this week. Everyone is doing really well! The children have enjoyed painting pebbles for the Flower and Craft Show on Saturday, singing time with the Song Bag and practising their phonics. Well done everyone!

Offer Class have had a great week. In Science, they have been learning about the planets and been writing space fact files. The children have also been writing job applications for classroom jobs to support Mr Riley and their friends and have been enjoying reading Tom's Midnight Garden together. In History they are learning about World War Two.
